Thistle Club Recipes

Remember to send in your recipes for the Thistle Club Cookbook. Recipes may be emailed to sppc@kwic.com, dropped off to the church or mailed through Canada Post.

"Miss Your Face"

If folks will send in photos of themselves (either simple head shots or pictures of what you are doing at home these days) we could end our services with a slideshow in which we get to see one another.

Video Question???

Another idea is aimed primarily at including our youth - the folks that are a little old for Children and Worship, but really anyone could participate. Essentially you would send in a video of yourself asking some sort of spiritual or faith-related question and I (Rev. Mikal) would do my best to address it.

Keep in mind that whatever you choose to send will end up on the web. Pictures for the "Miss Your Face" slideshow will not have names attached, and if you are sending a video question and are introducing yourself, just use your first name - especially kids or youth.

The meeting id is 73427702004, but the link above should connect you with the meeting automatically.

The password is "Witness". Please note That you will need to use an upper case "W".

The meeting opens at approximately 11:15 AM.

"ZOOM ZONE" FOR YOUTH

The Zoom meeting will be organized so that any of the youth who join in will be able hang out in their own room. If you would like to give the kids an opportunity to connect with their church friends, consider having them join in on the Zoom meeting. Parents can join the youth or, if they have a second computer, they can go the adult coffee hour. Rev. Mikal will make sure you go to the "zoom room" you want to be in.

PRACTICE USING ZOOM?

If you would like more information about using Zoom, a short video tutorial may be found [here](#).

If you would like to try a practice a Zoom meeting during the week, please call the office and we will make those arrangements.
